*Note: 1 peice cap - not suitable for 4x4 vehicles with manual hubs.

DISCLAIMER: This listing is to be used as a general guide only. All due care has been taken in the preparation of this fitment guide, however no responsibility is accepted by Mullins Wheels Pty Ltd for any error or change in vehicle fitment specifications without notice. Some recommended wheel vehicle fitments may exceed regulations in some States. Traffic authority regulations can vary between States and Territories of Australia. Mullins Wheels Pty Ltd recommends that a check be made with the relevant authority for wheel and vehicle suitability in regard to vehicle track dimensions and wheel and tyre load rating compatibility to the vehicle prior to wheel purchase by the customer.
